- Self Help and Resource Exchange (SHARE) in Philadelphia

SHARE is a program where the community can purchase quality food at a discount price in exchange for sweat equity. Tasks of the day include cataloging supplies, labeling products, clean up and warehouse organization.

- The New Kensington CDC

NKCDC is a nonprofit organisation dedicated to the revitalisation of parks and neighborhoods to improve the quality of life. Tasks of the day include cleaning parks, repairing equipment, or painting.

Venue: 113 East Evans Street, Suite , West Chester, PA 19380, USA

[fmedge Candidate of the Year Award](#)

fmedge is celebrating World FM Day by launching the inaugural fmedge Candidate of the Year Award. This award will be judged on environmental performance improvement resulting from participation in the fmedge qualification program. Submissions will be judged by an independent industry leader. Media coverage of the event will promote the value of FM to the industry and to the general business community.

[World FM Day Happy Hour \(IFMA\)](#)

The Emerging Leaders group from the IFMA Capital chapter will be celebrating World FM Day Happy Hour on June 24th 5-8 PM.

Ceiba Restaurant
701 14th Street NW
Washington DC
(near Metro Center, 13th St exit)

[FEA Educational Session "Building a High Performance FM Organization"](#)

Host: FEA (Facility Engineering Associates)
Where: WebEx
When: 12:00 PM EST

This session discusses a strategic way to assess your FM organization and processes. It focuses on a comprehensive organizational and leadership diagnostic method to measure FM performance and create high- performance facilities organizations. The focus is on evaluating key components of an organization to provide recommendations to enable a successful high performance FM organization.

[Building Operating Management Magazine Celebrates World FM Day](#)[Trinidad & Tobago Chapter of IFMA](#)**T&T IFMA Celebrates World FM Day: Mini Conference & Expo**

The Trinidad & Tobago Chapter of the International Facility Management Association (T&TIFMA) will commemorate its second anniversary of inauguration with a mini conference and expo at the Arthur Lok Jack School of Business on Thursday 24th June 2010. The event has special significance, as it also marks the celebration of World FM Day globally.

World FM Day is a Global FM initiative. This special event, along with others being held around the world, will celebrate facilities management and the contribution it makes to organisations.

T&TIFMA welcomes the experience and foresight of featured speaker, Mr. Chris Hodges at the event, which starts with sponsored product showcases at 3:30pm. Mr. Hodges feature presentation will highlight the value of Facility Management – a topic which has had increased local significance in recent time.

Chris Hodges is a founding Principal of Facility Engineering Associates (www.feapc.com), with over 27 years of experience in the evaluation and repair of building systems and the operations and maintenance of buildings.

Mr. Hodges earned his Masters of Science degree in Materials Science and Engineering from Johns Hopkins University, and has a Bachelors degree in Civil Engineering from Clarkson University. He is a Registered Professional Engineer and a Registered Roof Consultant.

Additionally, Mr. Hodges received his Certified Facility Manager (CFM) designation from the International Facility Management Association (IFMA), and is a LEED® Accredited Professional, an accreditation of the U.S. Green Buildings Council.

Mr. Hodges also serves as a Director on the IFMA 2008-2009 Board of Directors, is an IFMA-certified instructor and a frequently requested presenter on leadership, strategy and sustainability topics at industry events around the world.

President of the Local Chapter, Mr. Tyrel Melville, FMP, expressed his excitement of the chapter hosting the event once more. "We are excited to celebrate Facility Management in Trinidad & Tobago once again on World FM Day, he said. It is truly a global profession and we are jubilant to have Mr. Chris Hodges be a part of our second anniversary and World FM celebrations this year."

The chapter was formed on Labour Day – June 2009, to promote the facility management profession and educational opportunities to IFMA stakeholders throughout the Caribbean island nation and surrounding areas. They are using the occasion to feature its rapidly growing membership and strategies for progression of its educational initiatives.

LinkedIn.com Group - Salute the GlobalFM Day movement by agreeing to recognize this awareness campaign by saying "Happy GlobalFM Day" to all of our fellow colleagues we touch on LinkedIn that day. It will bring attention to it and make people aware of the effort. As a LinkedIn Group Owner, I will personally share this information with other US LinkedIn groups to help spread the word as well. Thank you for thinking of this idea to promote our industry.

I will also add an article to <http://www.rooftopgarden.com>, which is a site for PM/FM professionals to add their rooftop gardens to the Rooftop Garden Database, in an effort to promote and make aware, the completed roof garden projects throughout the world and showcase the teams involved in their implementation.

Thank you,

 [Queen's Park Plaza/Albion Plaza](#)

At Queen's Park & Albion Plaza, world FM Day is being celebrated by the Facilities Management team during a career fair where the FM team has a booth highlighting what FM is, the value of FM to the organization and FM career paths.

Projects currently being undertaken are:

1. Build out of a conferencing center and town hall facility.
2. Relocation of teams into new space
3. Accommodation Strategy that will define the optimal use of space and will underpin the FM plan into 2011-2012
4. Long Term Plan
5. Commute Assistance Program for the organization.

The FM team is excited and energized to continue its valuable contribution to the organization and to the development of the FM profession in Trinidad & Tobago!

[1 Queen's Road Central, Central, Hong Kong.](#)
This is one of Hong Kong's iconic buildings, designed by Norman Foster. The facilities are managed for HSBC by EC Harris (Hong Kong) Ltd, Built Asset Consultants.

After more than 20 years of use the facilities are currently undergoing significant refurbishment and upgrade.

A key current project, to be implemented here starting in July, is the implementation of mobile technology to remove the requirement for paper work orders and maintain a wholly electronic work management process.
